Dear Club,

I've always been highly sexed, so, being unattached at the moment, I seem to spend a lot of my time thinking about dick and the fun places I can stick it. It doesn't matter where I am. I see a hunky man and my pussy starts juicing up ready for action and I'm imagining his lovely hard knob squeezing up my arse or cumming down my throat. In order to aid instant relief at these times, I've taken to wearing hold-up stockings without panties under my skirt or dress because it's so easy to have a quick surreptitious fiddle when I'm out and about.

Of course, I prefer to get the real thing inside me, and to that end I recently made a move on Gareth, the salesman at the car showroom who last month was trying to talk me into buying this smart 4X4 jobbie.

"Fancy a test drive?" Gareth suggested, so I opened the door of the Range Rover and climbed in, making sure he got a quick glimpse of sheer black stocking top. Soon we were zooming down country lanes with Gareth burbling on about the vehicle's performance as he drove. Sitting beside him, I was far more interested in the performance of his cock, subtly moving my legs so my skirt would ride further up my thighs.

"So what extras do I get with this car, Gareth?" I said in my sexiest voice, pulling open my grey leather jacket to reveal my naked breasts beneath. Narrowly avoiding a hedge, Gareth came to a sudden stop on a verge. Before he could say anything, I leant over, placed a hand firmly over his crotch and

kissed him full on the mouth.

"Now show me how you handle this," I whispered, stretching out in my seat and spreading my thighs on the cool leather so my moist cunt was on full view. Gareth didn't need asking twice, and plunged his head between my legs, his tongue lapping at my pussy lips while his hand grabbed a handful of tit. He tenderly licked at my clit before moving his hand between my legs and slowly inserting two fingers into my gooey snatch. He even began to skillfully tickle my tight little bumhole from this angle, and pretty soon I could feel I was about to cum in his mouth. I climaxed just as the tip of his finger slipped inside my arsehole, and the poor guy nearly choked on the amount of love juice that

squirted from my hole.

"Right, my turn," I said to Gareth as his head rose from between my thighs, my lady-gravy smeared all around his mouth.

I pushed him back in his seat and levered his rock-hard dick from his flies and his boxers before stuffing as much of its length between my lips as I could. His knob banged against the back of my throat as I sucked him hard, my hand manipulating his lovely balls as I teased his manhood with my tongue, rubbing my tits against his crisp white shirt.

"Can I fuck you now?" Gareth pleaded, knowing he'd explode down my throat if I continued giving him such expert head.

"Better test the backseat for comfort," I replied, clambering into the back, my arse

stuck high in the air as I faced the rear window eagerly awaiting Gareth's twitching prick. As the tip of his cock eased inside my pussy I pressed my face against the back seat, the smell of the leather mingling with the scent of sex in the car getting me more and more turned on as I thrust my hips to meet his thrusts.

His hands gripped my boobs as he began to pump my twat faster, his whole dick slurping clear of my hole before crashing back inside, forcing me deeper into the plush padding. This was great, but I knew how to make it even better. "Do me in the arse!" I squealed, holding my buttocks apart for him.

His cock was so well lubricated

BOXING JELENA!

Dear Club,

I'm a big titwank fan – what bloke isn't? – but most of the girls who give them in porno films are a bit on the chunky side for me. It's a delicate balancing act, isn't it? We all love fat tits, but not fat chicks. So I'm happy to declare that Jelena Jensen (*Club 42/2*) has the perfect tits for fucking and spunking on, but is beautiful too. She's my vote for girl of the year.

Joe, Leicester

Yeah, Jelena is magic, isn't she. Beautiful, classy and with a set of top twats you could spend hours playing with. Yours isn't the only vote she's had this year – results next issue!

PASSED TENTS!

Dear Club,
Like any sensible man, I can't stand camping. Who wants to be in a cold, wet field when you could be next to a fire at home, watching a DVD boxset and sipping on a tot of single malt? But those two American lesbians [we think you mean Jana and Sandy from *Club 42/2*] might be enough to change my mind. Two blonde minxes and me in a tent? I could leave the fireside for that.
Peter, Salford

We're with you on camping, Peter. A joyless experience. But if Jana and Sandy invited us, we'd be there in a flash. All you need is a two man tent (well, you want it to be intimate), a hipflask and a camera. Bingo.

it went straight up my bum first time, and as he pumped away I could feel his swinging bollocks slap against the backs of my sweaty, stockinged thighs. Gareth grabbed my thighs and hauled me hard onto his shaft, my brown eye stretched taut around his throbbing meat as his spunk begged for release. But I had my own ideas about where his spunk was going to go . . .

"Spunk up over my tits!" I yelled, dragging my arse off his tool and swivelling round so his prick pointed at my chest. I grabbed hold of my knockers, squashing them up and pushing them out, just in time to catch the first jet of lovely, thick, white spuzz in my cleavage! Splat! Gareth shot another wad, then another, all over my front. Splurt!

He watched with a wicked smile as it dribbled down off my boobs onto the soft leather between my parted legs, where it mingled with my sticky fanny juice.

After cleaning ourselves up a bit we returned to the showroom. I got the car and I bet Gareth got one hell of a commission bonus!

Pool and pole...

I used to be on the swimming team at University," Nina tells us. "Not because I loved swimming, although I was quite good at it. No, I had a huge crush on our coach. And the feeling was mutual. We had lots of one on one sessions where we'd pretend to work on strokes and breathing but in fact he had his dick inside me under the water. It's given me a lifelong love of fucking in pools. Anyone fancy a dip?" ♣

Your girl of the year...

It was a close run thing, but after a strong showing last year, Dani Maye has won the vote for *Club Girl* of the Year, 2012.

"OMG! I'm delighted," the homegrown hottie declares. "I feel like I've been in *Club* quite a lot this year, which must have helped, but your photographers always make me look great and it's nice to be surrounded by lots of really hot and sexy chicks. Speaking of which, any chance you could do a shoot with me and Sasha? She beat me to this last year and we should definitely fuck!"

PEACHES

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

SPHINXING TIME!

I've really got into anal masturbation over the last few months after Jayne, one of my closest friends, admitted that she'd let her boyfriend stick his cock in her arse. The thought of Jayne and what she had done became the central focus of my dirty fantasies. I imagined hiding in her bedroom while she had sex with her boyfriend, imagined ogling her wet, shaved pussy. I'd seen Jayne's pussy, her bum, and the rest of her when we'd ventured onto a nudist beach as a dare. Perhaps that was why it was so easy to picture her lying face-down on the bed. I had to 'invent' her rude little bumhole as I hadn't actually seen that, but I gave her a pretty little crinkle of skin from a girl I liked in an issue of *Club* and imagined her boyfriend's cock trying to force its way in.

I'd never tried playing with my bum before Jayne admitted to using hers, and it took a bit to work-out the best way to do it. I found that the best position was to lie across my bed with my knee resting on the headboard, that way both my pussy and bumhole were easily available to both fingers and toys. It gave me a thrill to fantasise about my friend and I wondered how she'd feel if she knew. It had started with me frigging my clit, with just a spit-covered fingertip up my bum, thinking about the intimate details Jayne had revealed to me. It was a cheap thrill, I knew, but I'd enjoyed it so much that it had quickly developed, both in terms of what I stuck up my bum and the dirtiness of my little scenarios. The one where I secretly watched Jayne being buggered was just one fantasy; there were others where I actually took part.

I started, as I always did, with my fingers. My pussy was wet and ready but my bumhole needed lubricating. I sighed as I felt the tiny ring tighten as the cold gel touched the sensitive skin of my anus. The initial touch always tickled and it still gave me a buzz to slip a finger inside, knowing that that orifice wasn't intended to be penetrated – it was so naughty and I loved it. After pausing to

“Nothing had ever been so far up my back passage and the naughtiness made me want to orgasm”

let the anticipation build, I forced another finger in beside the first. My confidence had grown with experience and I pushed both fingers right in, my mouth coming open as my ring surrendered. After sliding my fingers in and out of my now-slippery arse for a few minutes, I felt the need for my little toy.

Reaching back blindly, I grabbed one. It was the wrong one – it was the big eight-inch dildo that I use in my pussy. Feeling extra-naughty, I wondered what it would feel like to squeeze it into my bum. The idea thrilled me. It wasn't the length that was so exciting, it was the girth. I'd bought this toy because it was a bit thicker than my first boyfriend's cock and I'd wanted to 'practice' when he wasn't around.

It had never occurred to me to stick it up my bum before – if I could get this up, I should have no problem taking a real cock, just like Jayne had done. My next boyfriend might be getting very lucky, I thought to myself.

It was a struggle; even with a lot of lubrication. My ass was extremely reluctant to accept the new toy. I just went slowly and eventually, the head got inside – after that, things got much easier. I loved the way it stretched me even before I twisted the base to turn the vibrator on. I could feel it buzzing deep inside my bum. Nothing had ever been so far up my back passage and the naughtiness of it made me want to orgasm.

I started thinking, fantasising again. This

time I wanted to be Jayne. I stayed in position but imagined being on my knees and elbows, with my bum sticking high up into the air. Reaching around, I gripped the base of the toy and started thrusting it in and out of my bum, imagining it to be Jayne's boyfriend driving his cock in and out of my bottom. I groaned as I imagined Jayne there with me, kneeling beside me, her bare bottom also thrust into the air, just waiting. Her boyfriend swapped holes. As I frantically rubbed my clitoris, I imagined him taking his cock from my bumhole and driving it straight into hers.

Grabbing the small, smooth vibrator I brought it to life and pressed it between the folds of my labia. My pussy was incredibly wet and I felt rivulets of juice running down my inner thigh as I drove the slim toy into my hole. Having the two toys vibrating inside me felt amazing and I adapted my fantasy to include two guys. Suddenly there were two cocks fucking me, slowly at first but rapidly increasing their pace. I groaned with delight

as they fucked me, driving into my holes faster and faster.

I was so close to my orgasm. My clitoris was agonisingly sensitive, begging to be touched, to be rubbed again. If I could just spare a hand, I could be there in seconds. Pushing both toys deep inside, I held them in place with my left hand, which freed my right to rub my clit. In my fantasy, it was Jayne's fingers rubbing my searing flesh, trapping my labia, pinching them between thumb and forefinger.

Nearly there, I penetrated myself as deeply as I dared in both arse and pussy as I rubbed my clit. The filthy fantasy was still running through my mind, the spunk flying from both cocks as I rubbed myself to ecstasy. I came as I held the obscene image of Jayne rubbing my clit as she licked the combined spunk from both men off my bare bottom. It was an intensely powerful climax, making the bed shake as I howled in ecstasy.

As always, the toy buried in my arse drew out the pleasure of the orgasm and my body pulsed for a long, long time. I was just

thinking about extracting my sticky toys and cleaning-up when the phone rang. I wouldn't have answered it, except it was Jayne calling. "Hi Jayne," I said, happily, "I was just thinking about you." As I listened to the sound of her voice, I couldn't help but smile as my fingers automatically returned to my clit. She was excited about something, but I wasn't really listening. "Tell me everything," I said, wondering whether she'd notice if I made myself orgasm as she prattled-on. A part of me hoped she would.

MODEL BEHAVIOUR!

A few years ago I used to do a bit of modelling for catalogues, but I soon got bored of standing around for hours in frumpy knitwear. So when my mate Dale showed me a copy of your magazine and suggested, half jokingly, that I get into some nude work, I thought, 'Why not?' Guys have always gone gaga over my tits as they're big, yet very firm, so I looked around and found a few glamour jobs.

On these shoots, I'd just get my breasts

“Tom drove his huge cock straight up my arse until I could feel his balls slap my pussy lips”

out and fondle my pussy or dress up in sexy lingerie and spread my legs so the photographer could get some shots of my moist twat. I found I liked it, and wanted more! I'd heard about this photographer who was auditioning for models interested in doing harder stuff for the American market, and jumped at the chance. I put on my lucky pair of long black boots, turned up at the studio and met Tom, the photographer.

Fit and about forty, he loved the boots, and dressed me in a tight lace-up black leather corset with a studded leather bra. God, I felt horny, and gave Tom my best as he did a few preliminary shots and asked me about my experience.

“Well, I've got lots of experience of fucking,” I told him, spreading the lips of my gash and tickling my clit with a finger. “I've taken a few dicks up my arse as well, so bumshagging is not a problem,” I purred, embedding two fingers deep up my gash and wriggling them about so the juice squelched between them.

Tom had an obvious tent in his trousers by now. I decided I'd better give him an example of my skills, so as he came over for a close-up of my fanny, I leant forward and grasped his knob through his jeans. Tom smiled, pushed his camera aside and unzipped his trousers, revealing the tip of a monstrous prick. He uncoiled the giant from his pants like

some slumbering snake and rested the purple tip in the deep cleft between my tightly-restrained tits.

Leaning forward, I smeared some spittle onto the throbbing helmet and pushed it down into my cleavage as Tom thrust a hand between my parted thighs and began to finger my sodden hole. By pushing my leather-clad chest back and forth I found I could give Tom a pretty decent titwank. He seemed to be appreciating it as he inserted four big fingers up me, filling my cunt to bursting.

“Fancy some anal?” I said, like it was the commonest question in the world. Without waiting for a reply I stood, turned around, bent over the chair I was posing on and offered Tom my slightly parted arse cheeks for examination. I trembled as his heavy hands grasped my arse and spread my buttocks, stretching the taut muscle of my anus. Suddenly I felt the warm wetness of his tongue slide down my crack and come to rest at the entrance to my arse.

“Stick it in, you bastard,” I moaned and pushed my arse towards his face, relishing the tingles of pleasure coursing through my body as his tongue slipped into my tight tunnel and his mouth filled the gap between my cheeks.

“Okay, it's lubricated, now fill it with dick!” I yelled and nearly fell over as Tom drove his huge cock straight up my arse until I could

feel his balls slap my pussy lips. After the initial shock of his meat invasion I relaxed into the rhythm of his humping as I fingered my clit to speed myself to orgasm.

Tom leant around me and squeezed my tits hard, at the same time banging his cock up me to the hilt. At this a glorious climax exploded through my cunt. With my legs still shaking I pulled my arse off his knob, swivelled round and wanked his greasy, shining pole towards my waiting tits. His lovely cock began throbbing violently as I licked my lips and peered up at him through thickly mascara'd eyelashes.

The first blob of spunk hit my chin, the next my lips and the third found its target and slithered down my cleavage. More followed until the whole of my tits and the leather studded bra containing them were coated in thick gooey seed.

After cleaning myself off, Tom offered me a job there and then, which is why I'm flying to America next month with a great set of pictures, a full wallet and one hell of a reputation to live up to.

CASSIE ♣

Wet, wet, wet...

It's not often you get to make your debut in *Club* and play out your favourite fetish all in one go, but that's what 19-year-old Cali cutie Cassie is doing here.

"I'm delighted to be in *Club*," she giggles, "and to be doing it with a pool shoot is extra wild! I love to fuck in the water most of all – whether that's in a pool, the shower, a jacuzzi, it doesn't matter. Getting wet makes me wet! That figures.

"No, dummy. I mean wet inside! The only chance you've got of fucking my ass is to take me for a dip first!" ♣

What our well-placed moles are telling us this month...

DOWN THE WIRE

Poollocks

Texas State Troopers didn't need their canine friends to help them sniff this one out. 40-year-old Kenneth James Vanlue stands accused of breaking and entering the premises of the Department of Public Safety Driver License Office in Austin, Texas.

Troopers responded to a call out at around 7:30am on the 3rd of April, to find that the front door to the department office had been broken

down and the word 'surcharge' had been drawn on the wall using faecal matter, as well as causing a further \$9,000 worth of damage to vehicles in the parking lot and the destruction of computers and office equipment. At least we know what he will be decorating his cell with!

You should see how I do my signature...

Way Anchor

Sail a 120-foot research vessel? No problem. A woman who cannot be named for legal reasons was detained in San Diego after the attempted theft of aforementioned research vessel while scientists were asleep on board.

The dock lines of the 'New Horizon' were seen being untied by a security guard at around 2am. The woman in question was suffering from mental distress and wished to return to North Carolina and has since been handed over to San Diego Mental Health department. Maybe use some toy boats for battleships in the bath next time.

Fancy a tug?

Copy That

Only a difference of seven hundred and twenty years and the need for a graphics card, but apart from that, same old, same old. Danish TV bosses faces were left glowing after a serious blunder during a news report on the Syrian civil war. The backdrop to presenter Cecilie Beck's TV2 piece was an image of Damascus taken from the video game *Assassin's Creed*. Don't worry, Denmark, you're not alone, the BBC recently mistakenly used a logo from *Halo* instead of the United Nations emblem and ITV's film on the IRA attacks used footage from the game *Arma2*. Definitely a unique approach to broadening viewership.

Lace Lifter

Women in a New York building have a very valid reason for getting their knickers in a twist; that is if they have any left. Elizabeth Santana realised when collecting her washing that she was missing some essential items of clothing. Bewildered, Santana requested the security footage for the laundry room, which clearly showed a young white male pilfering her pantaloons.

Apparently Miss Santana is not alone and this panty pilferer has been on a bit of a spree in adjoining buildings. A police report has been filed but hold on to your knickers, ladies, as this lingerie lifter is still at large. ♣

WHAT'S SHE LIKE? Cute and shy, but getting ruder by the day.

WHY DID YOU WANT TO APPEAR IN CLUB INTERNATIONAL?

To be considered next to all the lovely, pretty girls that are in *Club*.

YOU HAVE A THING FOR GIRLS?

For girls and men. The girl thing is recent – I just had my first lesbian experience, and I don't think it will be my last. But I don't think that can replace men in first place!

WE'RE GLAD TO HEAR IT – MAYBE IT'S TIME TO COMBINE THE TWO...

A threesome? It's on my list, but it has got to be with the right people. I don't want any jealousy or ruined friendships over it. I just want it to be about pure sex.

WE LIKE YOUR THINKING. ANYTHING ELSE YOU'D LIKE TO ADD?

I'm just so happy to be appearing in *Club International* and I hope to get some nice, dirty letters from your readers! ♡

Fancy a Reader's Girl slot?

Then send a picture, along with your name, address and a contact telephone number to: **Readers' Girls, Club International, 23 Lyon, Street, Hersham, KT12 3PU** (or email clubint@paulraymond.com).

If you've got the Club look you'll get a top photo shoot and a £250 cheque, too!

TIFFANY ♣

21 bun salute...

Tiffany Thompson has just turned 21, and celebrated by making her 21st porn film. Sadly (well, a little bit), it was also her 21st lesbian porn film. Tiffany, do you not like penis?

"Ha ha! I love it! Don't get me wrong, I'm a heterosexual girl, I'm just bi

for bucks! I'd rather keep my real sex life private, between me and my boyfriend. But don't worry, if I ever change my mind and start to get fucked by men on film, I'll make sure *Club* is first to know."

That's sweet, but can you not make sure *Club* is the first to have a go... ♣

TALKIN' BLUE

Got an experience to share? Then send it in to Talkin' Blue at the usual address and if it's up to scratch you'll bag yourself £50!

FIRST FILLY FUCK!

I recently had my first lesbian experience with my next-door neighbour and I can't believe what I've been missing all these years. Her husband works away a lot and I always go round to keep her company. The other week, she was joking about being on her own, and quite brazenly joked, "You know, I just couldn't live without my vibrator." I was a little shocked and embarrassed at first, and then had to confess that I'd never used one. She was so surprised that she insisted on getting hers to show me. Taking it in my hands, she told me how to turn it on, and as it buzzed quietly between my fingertips I caught her staring intently at me. "Try it against you," she said softly. Smiling nervously, I ran it over my breasts and my nipples hardened immediately. I could see that her expression had changed and her eyes had a wild look about them.

"Try it between your legs," she then offered. Holding it against the crotch of my jeans, I could feel my pussy tingle with excitement. Suddenly, she was sitting next to me and, taking the vibrator from my hand, asked, "Do you want me to show you?" Passing it to her, she began to undo my button flies, and my excitement rose. Exposing my panties and shifting my jeans down, she slid the smooth shaft under the elastic until I felt it connect with my clit. The sensation was unlike anything I had felt before, and my breath began to shorten. She began to kiss my neck, pressing the vibrator into my mound.

She worked my jeans down over my knees until they were off. Opening my legs, she could then run the vibrator along my inner thighs and back to my pussy, teasing me as I watched. With one hand she gently parted my folds and dragged the shaft along my slit. As she slid it into me, she took the back of my head and French-kissed me, her tongue exploring my mouth. As she fucked me gently with the vibrator, goose bumps ran the whole length of my body.

Turning the vibrator off, she was now using it to fuck my hole harder, and was lifting my top to get at my tits. She put her tongue against my nipple and bit down softly with her top row of teeth, sending me crazy! It was

obvious that she'd done this before and was now moving down my body with her mouth, kissing my quivering tummy. Arriving at my cunt, her tongue began to flick my clit, and the vibrator was replaced with her fingers. My body was shaking as she worked away between my legs. I held the back of her head and ground my fanny against her face as she drenched it with her saliva.

"Taste my pussy!" she commanded, and stripped in seconds before straddling my face as I lay on the floor. Burying her face back where it had been, we kissed, licked and sucked at each other's clits, driving frantic fingers into each other's sodden entrance. I'd taken enough and pressed my thighs against her cheeks, climaxing heavily into her open mouth. As she brought me to an immense orgasm, my screams of pleasure were muffled from my own face being pressed into her pussy.

She reached round and passed me the vibrator, which I immediately slid into her. "Put it in my arse," she commanded and I duly obliged. Nudging it gently in at first, her sphincter relaxed, and as her anus widened I pushed it in and out quicker. All the time I was licking her clit, my own body warm from my own cum. Soon she was ready herself, and with a loud, "Oh fuck, yes!" I could taste her orgasm on my lips and tongue. She cradled my body, as wave after wave of ecstasy ran through her.

When she'd finished, she stroked and kissed my body until I was so relaxed, that I drifted off to sleep – dreaming of the next woman I was going to have.

WILD IN THE WAREHOUSE

I've worked as a secretary for a few years now, but getting a job working in the accounts office of a clothing warehouse with loads of men was totally different. Our office

is in full view of the warehouse, as everyone is picking orders, and the guys are constantly trying to catch my eye. The floor manager in particular has always been finding excuses to come and ask me for information, but as he's a pretty good-looking guy, I began to look forward to it. After more than a few suggestive comments, he eventually asked me out for a drink when the warehouse closed on Friday lunchtime. He knew I had a boyfriend, and he did nothing to disguise his wedding ring, so I wasn't really sure what was going to happen.

We ended up drinking in the pub closest to the warehouse where most

“ I held her head and ground my fanny against her face as she drenched it with her saliva ”

of the other guys were as well, and we got more than our share of comments whilst we sat and flirted in the corner. Feeling a little tipsy, I knew I'd better make my way home and he offered to walk me to my bus. "Sorry to be a pain," he said as we left the pub, "but do you mind if I just nip back and get something from work on the way?" Following him as he opened up the huge alarmed doors to the main warehouse floor, we stepped into the huge deserted area.

Closing the door behind us, he turned and asked, "You don't need to go home quite yet, do you?" I shook my head, and we were all over each other in seconds. As we yanked each other's clothes off, we staggered around until eventually my bum rested on the cold metal of one of the aisles and I threw my body back against the pile of plastic wrapped coats. He got to his knees in front of me and hoisted my bare thighs over his shoulders and buried his face in my muff, not even bothering to take my panties off, just yanking them to one side.

His tongue explored inside my cunt and my arse cheeks were clenching, pushing my mound into his face. He knew what he was doing, and I held onto the metal scaffolding of the aisle as his tongue

worked rhythmically against my clit. Holding me behind my knees, he then pushed my legs back against me, allowing his mouth access to both my holes. I just love the feel of my arse being licked and I was moaning in ecstasy pleading with him to "Fuck me!"

After getting me dripping wet with his tongue, he got to his feet and positioned his dick at my gaping entrance. Dipping it in slowly at first, he ran his length deep into me, and then pulled out at the same speed. I was aching for him to pound my cunt, but his teasing was producing uncontrollable spasms in my body, which he seemed to like. As he then worked up a rhythm, I played with my own clit as he drove deep into me, and pulled my pussy apart so we could both see it slide in and out.

My legs were wrapped around his back, and pushing them apart again, he began edging his middle finger into my arse, underneath his swinging balls. Holding tight to my right ankle with his left hand, he continued to fuck me, whilst his finger went knuckle deep into my anus. Having both holes filled was incredible and I was screaming loudly, hearing it echo around the cavernous warehouse.

My bum and lower back were sweating hard and sticking to the plastic as he worked me to orgasm. My eyes glazed over and

warmth ran through me, as my juices gushed over his dick. I knew I wanted to feel his cum inside me, so I clamped my thighs around him again, forcing his spunk from his cock. As his load shot into me, he buried his face into my chest, chewing my nipples and prolonging my orgasm.

When we'd finally finished, we giggled like naughty schoolchildren as we collected our clothes that were strewn everywhere. "Are you still going to walk me home?" I coyly asked. "Of course," he replied, "but I really must get something first." "What is it this time?" I playfully inquired. He grinned and answered "Well, I think I'd better get the security video tape, don't you?"

STRIPPO-CRAMMED!

When I got my job as a strippogram, I imagined I'd only be doing it temporarily. However, that was over eight months ago and I'm still trotting out to 40th birthdays every other night! Despite this, I've got used to it, and quite enjoy making some ageing guy's day as they always treat me with respect. When I was sent out to a young guy's stag night for the first time, however, I felt nervous like it was the first day again. Young guys can be more excitable and, as they had hired a limo, I wasn't sure quite what to expect.

However, by the time they came to pick me up from the agreed point they had managed to lose about eight of their party, including the groom, and stepping into the back of the stretch I was greeted by two sheepish looking boys. My adrenaline had been pumping with the anticipation, and as they explained what

“I wanted his cum in me so I clamped my thighs around him, forcing his spunk from his cock”

had happened, I felt myself relax with relief.

They can't have been any older than about twenty, and they were incredibly apologetic for 'wasting my time' and they looked far more nervous than I ever could have been. They were also smartly dressed and were pretty handsome, the type who obviously had girlfriends waiting for them to return! Nonetheless, the quieter one of the two was staring at my suspenders that were revealed under the short fake fur I was wearing, and I could see the excitement in his eyes.

Catching him looking, I said coyly, "See what your friend's missing?" Embarrassed at being caught, he nodded nervously and looked at his friend. "I'm paid for," I continued, enjoying the feeling of control, "I might as well show you the

rest". Their silence was their reply, and I lay back on the leather seat facing them and slowly parted my coat to reveal my corset and suspender belt. It was obvious that they had never had anything like this before and they stared open-mouthed as I ran my palms over my tits, down my stomach and between my legs. Straddling the more youthful looking one, I brushed against his crotch, and could feel his dick straining in his trousers. It instantly turned me on, and for the first time, I actually fancied the guys I was stripping for.

I took his hand, and placed it against my chest, fixing my eyes on his, willing him to touch my breasts. He pawed at them through the silk, and I threw my head back erotically as encouragement, all the while feeling myself getting wet. Looking to the right, I commanded to his friend, "Get me out of this," and gestured down with my head. Within seconds, he was behind me unlacing my corset, as his friend was rubbing my tits energetically.

I don't know what came over me, but I was determined to enjoy myself, and I leant forward and kissed the guy facing me full on the lips. I felt the corset loosen and slip from my tits, allowing a pair of hands to cup them from behind. He was toying with my nipples, and as they hardened, I stopped snogging his friend, and forced his mouth down around them. Cradling his head in my chest, I felt the

“Gripping my arse, he hammered his length into me as I thrust back wildly, finding the perfect rhythm in unison”

hands from behind me slip down and between my legs. Pushing a finger inside my panties, his hand curved over my mound as he found my clit and began to circle two fingers rhythmically. He was more experienced than I had thought and began to open my pussy as he kept his thumb working my button. I was so wet, his two fingers slipped inside me with no effort, which just made me crave some cock. Knowing they couldn't believe their luck, I shocked them further by saying, "I'm ready to be fucked now!" After a moment's hesitation, I felt a gentle push on my side, causing me to drop back onto the upholstery.

The guy whose fingers were wet with my juices had freed his dick in seconds, and was steering it towards my dripping hole that I had exposed by pulling my knickers aside. I pulled him into me, and clamped his waist with my thighs as his prick filled me up. Gripping my arse, he hammered his length into me as I thrust back wildly, finding the perfect rhythm in unison. His friend had his dick inches away from my face, but I didn't take it in my mouth, as I knew I wanted the best from both these cocks. Instead, I wanked it hard in time to his friend pumping my twat. I saw the shoulders of the guy inside me tighten, and I pulled him out of me as he threw his load over my stomach.

"Next," I brazenly commanded, and as his spent friend lay back panting, the younger-looking one pushed the head of his penis tentatively inside me. I almost leapt towards him, still covered in sticky spunk, in order to get him deep inside me, and I didn't need long to get what I wanted.

I pushed my fingers hard into my own clit as the warmth crept over my body, my orgasm taking hold. As my juices gushed over his shaft, I could see his friend motioning to his mate to cover me in spunk as well, and I pushed my tits together to show him where to spray. Laying there, glistening with cum, and totally satisfied, I just gave them a steely stare, as if to say, "This goes no further, okay boys!" followed by a little smile. What do you think, do you reckon they didn't tell their friends? One thing's for sure, they showed me a different kind of respect to the older guys!

TEAL ♣

Fancy a duck?

It's hard to know where to start a conversation with Teal. Do you start musing about the depths of the colour teal, a close relative of cyan? Or do you take the gamebird angle, and wax lyrical about the widgeon? Turns out it's neither of these.

"It's just a name, dummy," she scolds us. "I'd rather talk about books, films, fashion or TV or sex or stuff we have in common."

That's us told. Sex it is then.

"Okay. Well, I've never had sex with a British guy, but right now that accent is getting my pussy so wet that I might just slide right off my seat!" ♣

FAYE ♣

Faye and display...

Never let it be said that we ignore our readers. A couple of issues we got a letter saying there hadn't been any redheads in *Club* for a while. Guilty as charged, we said, and got straight onto it. Our first port of call? Gorgeous US adult star Faye, who has the kind of nipples that make us go weak at the knees.

Without being too gynaecological about it, there's a lot to be said about the even pinker hues of your natural ginger's pussy as well, and as for that crinkly bum? Well, let's just say we wouldn't kick Faye out of bed. Not that there's much chance of us getting her in it in the first place... ♣
